

Irish Whiskey has undergone a major renaissance over the last 20 years and while many pubs have become craft beer havens, a smaller number have embraced the wide range of Irish Whiskey being produced. We have a number of options for groups to enjoy this part of Irish culture.

Galway Tours lead Guide Ray Martin has written about historic pubs and pub culture for over 10 years. We arrange custom Whiskey tasting evenings in some of the most historic establishments in Galway. We explore the culture, history and evolution of Pubs in Ireland. We can also arrange guest speakers on specialist topics such as the Whiskey distilleries of Ireland or Irish Pubs abroad.
